

Just what you have been waiting for - a garage sale without all of the work - WINGS will have it for you! All you have to do is bundle up all of your treasures (no trash please) and give us a call. We will pick up AND give you a donation receipt! Then please stop by the old Movie Gallery location next to Safeway, August 6 & 7, and buy it all back- OK, not yours, but someone else's treasures! Want to be even more helpful? Please drop your donations off the Saturday before - July 31, between 10 and 2 at the Movie Gallery space. We will be there to help you unload!

In addition, we ask that clothing be donated on hangers - and we will need extra hangers, grocery bags and paper bags. WINGS is also always on the look out for hand tools, garden tools, bikes, fishing equipment, and good single beds and a full size futon frame; and Beverly needs a pancake griddle and a large bulletin board.

Thank you, as always, for your support in helping us give these young men . . . WINGS.
